APPLICATIONS FOR CONSENT & MINOR VARIANCE

County of Oxford
21 Reeve Street
Woodstock, ON N4S 3G1
Telephone: 519-539-9800

DATE: Thursday, May 21, 2026

FILE NOS: B26-18-5; A26-02-5 (Melissa & Greg Deruiter)

The County of Oxford Land Division Committee has received an Application for Consent, Minor Variance and Easement.

Purpose and Effect of Applications for Consent & Minor Variance:

The purpose of this application is to create one (1) new residential infill lot within the Rural Cluster of Dickson's Corners. The application for consent proposes to sever a parcel approximately 0.45 ha (1.1 ac) in size, with approximately 25 m (82 ft) of frontage along 19th Line. The lot proposed to be retained is approximately 0.64 ha (1.58 ac) in size, contains a single detached dwelling and a detached garage associated with the one (1) truck and trailer permitted on the subject property, per the 'HC-4' zone provisions. The associated application for minor variance seeks to reduce the minimum required frontage for the proposed retained lot, as the 'HC-4' zone requires 40 m (131.2 ft) of frontage whereas 29 m (95 ft) is proposed. Further, the application proposes an easement over the existing westerly driveway on the lot to be severed, favouring the lot to be retained, for the purpose of accessing the existing garage located in the rear of the retained lot.

The subject land is described as Part Lot 2, Concession 2 (North Oxford) Part 1, 41R-3222 in the Township of Zorra. The subject land is located on the south side of 19th Line, between Road 64 and 21st Line, and is municipally known as 194669 19th Line, Township of Zorra.
